Thank you for your trust 01/05/2010

New Project in Albania; "European Office in Tirana"

Our project will begin in late 2010th
Tender in the new Office in Tirana has already been finalized.
Decisions as a result of the tender for the commitment, engagement and power of our company are excellent.

Thanks 15/05/2010

Begins Construction of Business Production Center "New Xeraklea "Bistrica / Bitola"

The project was launched by us. Site mobilization, given the start we've made for the application.

Electrolux Group Palenzo plans for 2011 year.

You will also build and Business Centre Ohrid-Struga for intellectual, mechanical and electrical services and business services.

Our future plans

Expanding the Business Centre in Albania and borrowing with major projects in the reconstruction and modernization of Albania. The work tasks start and do not stop, every day begins with new challenges.

To fight economic crisis

Due to the global economic crisis, many companies were forced to dismiss its staff. Our company works within it not to dismiss all employees, and as it continues to run our business, we try to strengthen our administrative and technical staff including new elements in our management of the finding of new demands and markets.

Thanks to your trust, we are your needs and future
